Congressional Black Caucus Foundation, Inc.

35th Annual Legislative Conference

September 23, 2005

The Honorable Julia Carson
and the Congressional Black Caucus Annual Legislative Conference present:

PUBLIC HEALTH, CLEAN AIR, AND TRANSPORTATION
In Pursuit of Cleaner, More Livable Communities

An Issue Forum Hosted by Congresswoman Julia Carson, (IN) on Friday, September 23, 2005

2:00 - 5:00 pm, Room 201
Washington Convention Center, Washington, DC

Agenda
Panelists will focus on the relationship between transportation policies and cleaner communities.

This issue forum will explore the increased need for African Americans to:

- Understand the impact of planning and public transit decisions on public health
- Promote eco-friendly transportation investments and land use policies
- Participate in planning, zoning and transportation decisions
